REVISION COURSES AT RYDAL PENRHOS

Easter is the key revision period for GCSE pupils and so we are holding a special revision week during the Easter holidays for those across the North Wales area to assist with their exam preparations. This will include:-

- Expert tuition in the core subjects of WJEC Maths and Numeracy, English Language and Science, from experienced teachers, some of whom are examiners; all are DBS checked.
- Session on exams and revision techniques and tips to achieve the best results
- Small class sizes, with a maximum of 10 pupils.
- Meeting other pupils who are in the same situation! Revision can be lonely but being with other pupils can offer some reassurance and inspire the kind of peer discussion that can prove a powerful tool for clarifying understanding.
- Tailored tuition where possible - if pupils can identify the topics they specifically wish to focus on in advance we will try to include these in the days' schedules.
- Immersion in the subject, with up to a eight-hour day of distraction-free focus.
- Teachers will also ensure each pupil understands the assessment objectives for their subject and exam board, and therefore gain a clear understanding of what the examiner is looking for.

The GCSE Revision Week will take place over three days from 11-13 April 2022.

Excellent value for money @ £150 / day for eight hours of distraction-free learning including lessons and all food and drink.

This is a can't miss opportunity for any GCSE pupil sitting exams this year.

Anyone wishing to book their place on our GCSE Revision Week, or for more information, email admissions@rydalpenrhos.com or call 01492 530155.
